Diesel Portable Screw Air Compressor
Electric Portable Screw Air Compressor
SD Air Cooled Screw Air Compressor

The manufacturing company of AUGUST brand screw air compressor is Ningbo Xinda screw compressor co., ltd. Which is a key enterprise of China's screw air compressor industry and has an independent powerful research and development team with international first-class processing and testing equipment "Made in Germany" AUGUST is specialized in manufacturing various types of PLC controlled, environment-friendly and low maintenance screw air compressors. High efficiency, energy saving and noise reduction elements are standard aspects in development and production. The main product line reaches the standard of national class 2 high efficiency requirements. Furthermore heat recovery systems, permanent magnet motor technology and VSD inverter applications are available to provide an even higher efficiency of the compressors. We combine the advanced German technologies with the latest research achievement and rely on the core technology we own, to establish our leading position in the industry and provide advanced solution to compressed air system for customers in and outside china. AUGUST compressors is an outstanding representative of Chinese private owned company with independent brand.

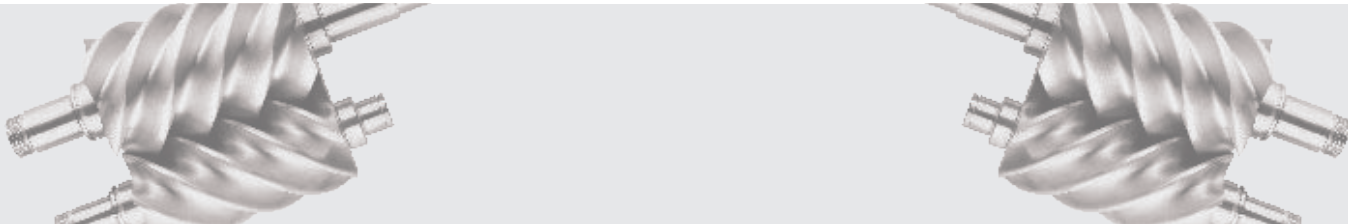

AUGUST compressors is not only the best choice in domestic market since 4 decades, but also meet the European standard, selling well overseas and enjoying high reputation among global customers. Product according with national class 2 energy-saving product, CE marking product quality, ASME available, ISO9001,SO14001,ISO1217. OEM welcome and adaptation to country specific regulations, voltage and frequency are available. AUGUST screw air compressor the best choice for your ROI.

Place your inquiry for more details or request for dealership in selected regions.

KEY HI-TECH ENTERPRISE OF CHINA

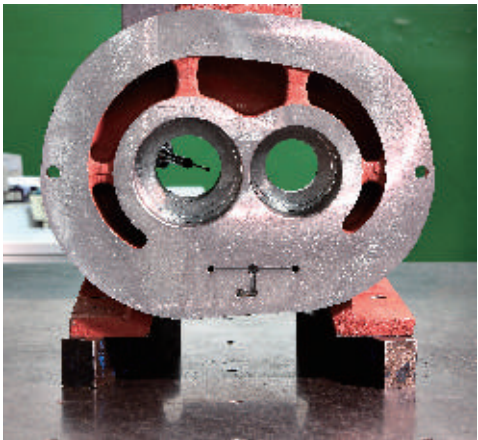

High Quality Equipments

High Quality Products

AUGUST Compressors are fully developed, designed and manufactured with independent R&D with reliable after sales service giving you the best Return On your Investment.

MACHINING CENTER

The technology used in manufacturing the AUGUST Compressors is state of the art. Using CNC equipment made in Germany and selected raw materials and components.

TESTING CENTER

Technical Parameters

SDY

SDY Series Technical Specifications:

Model	Discharge Pressure (Mpa)	Free Air Delivery (m³/min)	Motor Power (kW/HP)	Weight (Kg)	Overall Dimension (mm)	Air Supply Out (Inch)
SDY37A	0.7	6.7	37/50	1100	2500 × 1450 × 1622	R1 1/2" + R1"
SDY37B	1.0	5.7				
SDY37C	1.3	4.8				
SDY37D	0.8	6.2				
SDY45A	0.7	7.8	45/60	1150	2500 × 1450 × 1622	R1 1/2" + R1"
SDY45B	1.0	6.8				
SDY45C	1.3	5.4				
SDY45D	0.8	7.5				
SDY55A	0.7	10.5	55/75	1890	3906 × 1720 × 2099	R1 1/2" + R1"
SDY55B	1.0	8.5				
SDY55C	1.3	7.6				
SDY55D	0.8	10.0				
SDY75A	0.7	13.5	75/100	2000	3906 × 1720 × 2099	R1 1/2" + R1"
SDY75B	1.0	11.5				
SDY75C	1.3	9.5				
SDY75D	0.8	12.8				
SDY90A	0.7	16.8	90/122	3280	4700 × 1700 × 2230	R1 1/2" + R2 1/2"
SDY90B	1.0	14.1				
SDY90C	1.3	12.2				
SDY90D	0.8	16.2				
SDY110A	0.7	21.0	110/150	3580	4700 × 1700 × 2230	R1 1/2" + R2 1/2"
